Re: **TSA12-0417**

Dear Mr. Jones:

This letter acknowledges receipt of your March 14, 2012, Freedom of Information Act (FOIA) request to the Transportation Security Administration (TSA), for all responsive documents mentioning a YouTube video entitled, 'How to get anything through TSA nude body scanners.' Your request was received in this office on March 28, 2012.

After careful review of your FOIA request, we determined that the request is too broad in scope or did not specifically identify the records which you are seeking. Mr. Jones, in order to most effectively conduct a search for records, please identify an office within TSA you believe would hold records, perhaps the Office of Public Affairs. Records must be described in reasonably sufficient detail to enable government employees who are familiar with the subject area to locate records without placing an unreasonable burden upon the agency. For this reason, the Department of Homeland Security (DHS) regulation, 6 CFR Part 5, §5.3(b), requires that you describe the records you are seeking with as much information as possible to ensure that our search can locate them with a reasonable amount of effort. Whenever possible, a request should include specific information about each record sought, such as the date, title or name, author, recipients, and subject matter of the records, if known, or the DHS component or office you believe created and/or controls the record. The FOIA does not require an agency to create new records, answer questions posed by requesters, or attempt to interpret a request that does not identify specific records.

Please resubmit your request containing a reasonable description of the records you are seeking. Your request will not be entered into our processing queue until we receive clarification from you. If you would like assistance with perfecting your request, please feel free to call Ms. Aeron Pineiro at (571) 227-3332. Upon receipt of a perfected request, you will be advised as to the status of your request. Please note that this action is not a denial of your request and will not preclude you from filing other requests in the future. Your request has been assigned reference number **TSA12-0417**. Please refer to this identifier in any future correspondence. We anticipate and look forward to hearing from you to clarify this request.

Sincerely,

A handwritten signature in cursive script that reads "Aeron J. Pineiro".
